EXPERIENCE

South Bihar Power Distribution Company Limited (SBPDCL) | Summer Intern – Full Stack Developer **May 2025 – June 2025**

- Engaged in on-site in-plant training at **SBPDCL's IT Cell**, under the supervision of the IT Manager (SCADA), contributing to the development of a production-ready **Car Marketplace Platform**. [\(Visit\)](#)
- Built the platform using **Next.js, Supabase, Clerk, and ShadCn UI**, featuring 100+ car listings, real-time booking workflows, and dealership dashboards.
- Implemented AI integration via **Gemini 1.5 Flash API** for AI-based car detail extraction and deployed the mobile-responsive app on **Vercel** with secure, real-time functionality.

Indian Institute of Technology, Bhubaneswar | Winter Intern **December 2024 – January 2025**

- Completed a remote internship on a Microsoft-supported project under the Academic Partnership Grant2024, focused on personalized travel planning using Geospatial Data and Large Language Models (LLMs). [\(Certificate\)](#)
- Processed and cleaned 5,000+ travel records, improved annotation accuracy and structured datasets for intelligent itinerary generation.
- Designed and fine-tuned LLM prompts to generate personalized travel itineraries from natural language inputs, improving itinerary relevance by 30%.

PROJECTS

Realtime ChatApp | React, Socket.IO, Node.js, MongoDB **March 2025 – May 2025**

- Engineered a real-time messaging platform supporting **group and private chats**, file sharing, and online presence tracking. [\(Visit\)](#)
- Integrated **JWT authentication**, achieving secure access with sub-**150ms latency** across all devices.

BookStore App | MERN Stack, Tailwind CSS **January 2025 – February 2025**

- Constructed a digital bookstore featuring **250+ books** across 15+ categories with search and filtering capabilities. [\(Visit\)](#)
- Connected backend services for seamless book management and enabled user login with encrypted credentials.

Portfolio Website | Next.js, TypeScript, TailwindCSS, EmailJS **February 2025 – March 2025**

- Designed a personal portfolio with animated timeline, showcasing **6+ projects**, education, and tech stack.
- Integrated EmailJS-powered form with real-time feedback, toast notifications, and success/error handling. [\(Visit\)](#)
